Douglas Self; Self on Audio, 3rd edition,– Jean/Pierre Vanderreydt	199
Menno Vanderveen; Trans Tube Amplifiers– Stuart Yaniger	205

Letters to the Editor: I encourage readers' comments on articles in Linear Audio, and authors appreciate your views. When appropriate, I will post these, together with the author's reply, on-line at www.linearaudio.net.

Woe to the author who always wants to teach!

The secret of being a bore is to tell everything.

Voltaire (1694-1778), De la Nature de l' Homme
